

Annual Report 2012

18 Month Fiscal Year (due to change in start of fiscal years from July 1st to Jan 1st)

Every child deserves to be in the family photo on the wall.

We all know how important it is to feel loved and cherished, to have a place where we can just be ourselves and relax. Many of our children have never had that experience. That's why we are tireless in our mission to *"create permanent connections to loving and stable families."* In 2012, Anu provided more permanent homes to more children than ever before in our history! These successes will have a lifetime of impact for these children.

Can you imagine being raised in foster home after foster home, each time moving your belongings in a garbage bag to the next place? Our children deserve more than this. They deserve to be in the family photo on the wall, to be loved for who they are, and to have a place to call "home." Your support of our mission turns these dreams into realities.

Thank you for supporting our work!
